WHAT: Cleveland Clinic joins the Weston YMCA in unveiling a brand new pool scoreboard to be used for competitive swim meets held at the Weston YMCA.

The unveiling will take place at the 2017 YSF Barracudas Summer Kickoff Swim Meet. The scoreboard allows the Weston YMCA to host larger, regional swim meets with kids from across the state and southeast region. Cleveland Clinic donated \$100,000 for the scoreboard because it supports its healthy living initiatives and the competitive swimmers in our community. The scoreboard is a culmination of hard work between the Parents Advisory Committee, the Y's Director of Competitive Aquatics, Weston Y Board Members and Cleveland Clinic.
