Raising the Bar for Good Health
YMCA and Cleveland Clinic Florida

On Thursday, February 20, the Cleveland Clinic Weston and the YMCA of South Florida cut the ribbon to mark the official opening of their partnership to offer rehabilitation services, along with monthly health and wellness education programs to patients and residents in Weston and the surrounding community. “Our goal is to improve the quality of life for our patients and the community by closing the ‘clinic to community gap’ for health care services and education,” said Rodolfo J. Blandon, MD, MBA, President of Cleveland Clinic Weston.

Teaching Life Saving Skills to the Community

For the third year, the BSO Fire Rescue and Emergency Medical Services Weston District and Cleveland Clinic Weston joined together to educate the community on hands-only CPR, how to use an AED, the Heimlich maneuver for choking victims and bleeding control at the Community Center. The event drew hundreds of people that moved through the training sections and are now empowered with life-saving skills.

Missed the event? If you live or work in Weston, you can still learn CPR. Contact Weston’s Fire Rescue Administrative Offices at 954-389-2015.

Be Prepared and Plan Ahead
Your ability to get out of your home during a fire depends on advance warning from smoke alarms and advance planning. Fire can spread rapidly through your home, leaving you as little as one or two minutes to escape safely once the smoke alarm sounds. This is why the National Fire Protection Association has created an Escape Grid to aid families in their advance planning in the event of a home fire. Check it out!
